

REAL TIME
Market information

A bar chart with five bars of varying heights and colors (teal, dark blue, red, yellow, and light yellow). The second bar from the left is labeled '65%' and the fourth bar is labeled '45%'. The chart is set against a background with diagonal hatching lines.

Bar Color	Percentage
Teal	~10%
Dark Blue	65%
Red	~20%
Yellow	45%
Light Yellow	~15%
