Complying with Article 5 of Act 31 of 1992, the Board of Directors of the Central Bank submits a report to the Congress of Colombia twice a year accounting for the behavior of the economy and its prospects. This report is delivered in March and July within 10 working days following the beginning of the sessions of the Congress.

Fecha de publicación

Friday the 2th of August, 2019

The Board of Directors of the Central Bank, as per the provisions of Article 5 of Law 31 of 1992, submits a report to the Congress of the Republic that describes the macroeconomic performance for the first half of 2019 and its prospects for the remainder of the year. The last two chapters report on the composition of the country's international reserves and the projection of the financial situation of *Banco de la República* for 2019. The last chapter analyzes the payment systems in the country.
